

Finish the Sentence (Couples Game)

32 cards to print, cut and play together. No phone needed.

How to play

Shuffle and place the cards face down. Take turns drawing a card and finishing it out loud, honestly. Then the other finishes the same card. Pass on any card and come back to it later.

In this pack: 32 cards

■ Sweet	12 cards
■ Funny	10 cards
■ Deep	10 cards

Before you print

- Print at 100% (actual size) on A4 or Letter paper. Single-sided is all you need.
- Thicker paper or card makes the cards last longer.
- Cut along the dotted lines, shuffle, and keep the pack somewhere you will see it.
