

Which One of Us...? (Flirty Couples Game)

32 cards to print, cut and play together. No phone needed.

How to play

Shuffle and place the cards face down. One of you reads a card out loud; on three, you both point at whoever it describes. Agree and move on. Disagree and each of you gets ten seconds to argue your case.

In this pack: 32 cards

■ Flirty	12 cards
■ Everyday	10 cards
■ Romance	10 cards

Before you print

- Print at 100% (actual size) on A4 or Letter paper. Single-sided is all you need.
- Thicker paper or card makes the cards last longer.
- Cut along the dotted lines, shuffle, and keep the pack somewhere you will see it.
