

Who Could? (Couples Game)

32 cards to print, cut and play together. No phone needed.

How to play

Shuffle and place the cards face down. One of you reads a card out loud; on three, you both point at whoever it describes. Agree and move on. Disagree and each of you gets ten seconds to argue your case.

In this pack: 32 cards

■ Chaos	12 cards
■ Survival	10 cards
■ Sweet	10 cards

Before you print

- Print at 100% (actual size) on A4 or Letter paper. Single-sided is all you need.
- Thicker paper or card makes the cards last longer.
- Cut along the dotted lines, shuffle, and keep the pack somewhere you will see it.
