

Would You Rather? (Couples Edition)

37 cards to print, cut and play together. No phone needed.

How to play

Shuffle the cards and place them face down. Take turns drawing a card and reading it out loud. You both choose, on the count of three, then explain why. The fun is in the reasons, not the answer.

In this pack: 37 cards

■ Light and silly	15 cards
■ Deep	12 cards
■ Our future	10 cards

Before you print

- Print at 100% (actual size) on A4 or Letter paper. Single-sided is all you need.
- Thicker paper or card makes the cards last longer.
- Cut along the dotted lines, shuffle, and keep the pack somewhere you will see it.
